TO COUNTY COMMISSIONERS,
Town Agents, Druggists
AND THE
MEDICAL FACULTY OF VERMONT.

The old established House of
A. M. BININGER & CO.
of 19 Broad Street, New York,
ESTABLISHED IN 1778,
would call the attention of all interested in the use of
PURE LIQUORS as medicine, to their unequalled stock
of

PURE WINES AND LIQUORS.
We are permitted to publish the following notices and
recommendations of the articles we offer,—which, in all
cases will be warranted to open as represented :—
Messrs. A. M. BININGER & Co.
Gentlemen :—I purchased, as you requested, a
bottle of your "OLD LONDON DUCK GIN," as sold in the
city, and have made chemical analysis of
this sample. It contains 42 per cent. absolute alcohol,
with odor and flavor of juniper berries only.
On evaporation to entire dryness, this Gin is found to
contain 1.42 100 ounces of saccharine matter per gallon,
and this residual matter contained nothing but sugar.
There is no adulterating ingredients or injurious matter
of any kind in this Gin, and it contains the intrinsic
merits of a pure article.

Respectfully, your obedient servant,
CHAS. T. JACKSON, M. D.,
State Assayer.

Boston, July 30th, 1860.
Messrs. A. M. BININGER & Co.,
Gentlemen :—We have repeatedly heard our cus-
tomers express a good opinion of your popular bottled
liquors, and can say that we have rarely met with articles
which so steadily have been so rapidly sprung up, as
they are now standard goods with druggists throughout
the east.

Yours truly,
GEO. C. GOODWIN & CO.,
Druggists, No. 11 & 12 Marshall St., Boston.

BURLINGTON, VT., Aug. 20, 1860.
In my opinion, the Liquors sold by A. M. BININGER &
Co., No. 19, Broad Street, New York, are unsurpassed in
purity and reliability. It would be no difficult task
recommending them in all cases where alcoholic stimulants are
required.

N. H. BALL, M. D.
From P. D. ORVIS, Drug Reporter, N. Y.
A FINE ARTICLE.—BININGER'S OLD LONDON DUCK
GIN.—This Gin I had to be superior to any other bottled
Gin in the market, and am rapidly introducing it into my
trade.

P. D. ORVIS.
MIDDLEBURY, VT., March 24, 1861.
Messrs. A. M. BININGER & Co., New York.
Gentlemen :—I have had occasion in my practice,
to use your Wheat Tonic, and have discovered that it
would cure Diarrhea, even if it had assumed a chronic
form.

If the intelligence is worth anything to you, I am
sure it will be worth more to the public, for no family should
be without it, especially in warm weather.
NATHANIEL HARRIS, M. D.

The House of A. M. BININGER & Co., 19 Broad Street,
New York, have furnished quite a large proportion of the
Liquors and Wines sold by the Town Agents in this County
for the past year, and the Liquors and Wines so fur-
nished have been pure and unadulterated, and of great
good satisfaction. In accordance with the Laws in relation
thereto, I would recommend said House to all who de-
sire a PURE article for Medicinal, Mechanical, or Chemical
purposes.

Commissioner for Addison Co., Vt.,
April 24, 1861.
From the Home Journal.
It is worthy of remark, that the venerable House have
made a specialty of supplying the wants of Druggists,
Physicians, and Town Agents with their pure and whole-
some liquors, and the fact that their list of customers em-
braces four thousand Druggists, is conclusive evidence
of their popularity with that respectable class of
traders.

If this popular House was of recent date, and it was
deemed expedient to extend its reputation by any display
of public recommendation, it would be no difficult task
to arrange in the most imposing forms, thousands of en-
dorsements to the excellence and variety of their mer-
chandise.

From the point of its first existence, more than eighty
years ago, down to the present day, this establishment
has maintained its well-earned reputation, the integrity
of its financial obligations remain yet unimpaired, and the
fidelity and promptitude with which its numerous
suppliers have been served, furnish the strongest evidence
that it has suffered no diminution, and that the quality of
its staple articles have in no way been permitted to de-
generate. If these considerations can be resolved into
satisfactory conclusions, it will be no difficult task to
serve, it will furnish for their sufficient encourage-
ment to adopt as the future "cost of arms" the insignia
of their native State.—"Excelsior!"—Still higher!

Great Remedy for Coughs, Colds and
Kidney Difficulties.
WHITE PINE COMPOUND,
PREPARED BY
DR. J. W. POLAND & CO.,
GOSFORD TOWN CENTRE, N. H.

THE following testimonials will tell something about
a Medicine that is now becoming popular faster than
any other article sold by druggists :—
Rev. J. K. Chase, of Rumney, N. H., under date of
April 4th, 1860 says :—When your favor (two bot-
tles of White Pine Compound) was received, I was suffer-
ing from a most severe cold. I took the Compound,
and was able to preach in two days. I believe
the Compound is an invaluable medicine. I believe
thousands who know nothing of its virtues, would be-
come better acquainted with it.

Rev. L. C. Stevens, Pastor of the Baptist Church at
Gosford, Conn., in a letter dated Feb. 13th, says :—
Some of my family have tried it (the Compound),
with signal success. I believe it to be one of the best
Cough Remedies ever prepared. Besides its value as a
Cough medicine, I have good reason to believe it to be
all it claims to be for Kidney Diseases and Diabetes.

Mr. Asa Goodhue, of Bow, N. H., was prostrated by
Diabetes, in March, 1859, that neither himself nor any
who saw him thought that he could possibly live through
the month. As a last resort, he thought he would try
the White Pine Compound. They prepared a bottle for
him; he began to take it and to the surprise of all, im-
mediately showed signs of amendment. Eleven months
afterwards, (Feb. 23, 1860) in a full statement of his case,
he says :—I had been afflicted with the Kidney Com-
plaint, under God, has been the means of my recovery thus
far.

Hundreds of cases of Kidney complaints, CURED EN-
TIRELY by taking the White Pine Compound, have been
reported to druggists. Here are two samples :—
An aged man in Danvers, Mass., heard of the Com-
pound, as a wonderful curative for kidney complaints.
Being a great sufferer from that difficulty, he sent to the
Apothecary for a bottle. They came him. He took them
and was cured in five days. He has since sold a good
many bottles himself.

The second case was that of a business man, in Salem,
Mass. He was also cured of the same complaint. After
wards he went to Minnesota. The same faith in the use of his
journey brought on a return of his former difficulty, and
seeking in vain in Minnesota for the Compound, he was
compelled to send all the way to Salem to have it for-
warded to him.

July, 1860, Dr. POLAND.—Mr. J. C. Butterfield, Jr.,
who sells your Medicine, has requested me to give a
brief statement of what your White Pine Compound has
done for me. I had been afflicted with the Kidney Com-
plaint for a long time, and had a bad Cough of ten
years' standing, which caused me to spit blood quite
frequently. No one of my acquaintances expected that
I should ever get my health again. But two bot-
tles of your White Pine Compound cured me of both
the Cough and the Kidney Complaint.

I would also state, that a lady, a neighbor of ours,
was so badly afflicted with a cough, that she sat up only
by the use of your Compound. The cough, however, was
so bad, that she was unable to sleep. She took only
one bottle of your Compound, and it cured her. She is
just as well now as she ever was. STEPHEN BART-
LETT, BRADFORD, N. H.

Dr. POLAND.—I wish to bear my testimony to the
value of your White Pine Compound. You will remem-
ber how feeble I was at the time I called upon you, in
July last. My chief complaint was inflammation of
the kidneys. In addition to other disagreeable sym-
ptoms, I suffered dreadfully from severe pain. You sold
me a bottle of the White Pine Compound, and before I
had taken two-thirds of the contents of that bottle,
the pain had left me. Though I had been afflicted
with that complaint a long time, I have not had a re-
turn of it since, and have for many months past enjoyed
excellent health. Yours truly, B. F. ALKEN.
